Understanding YOUR Pay Day!

Now Lifestyle Compensation Plan

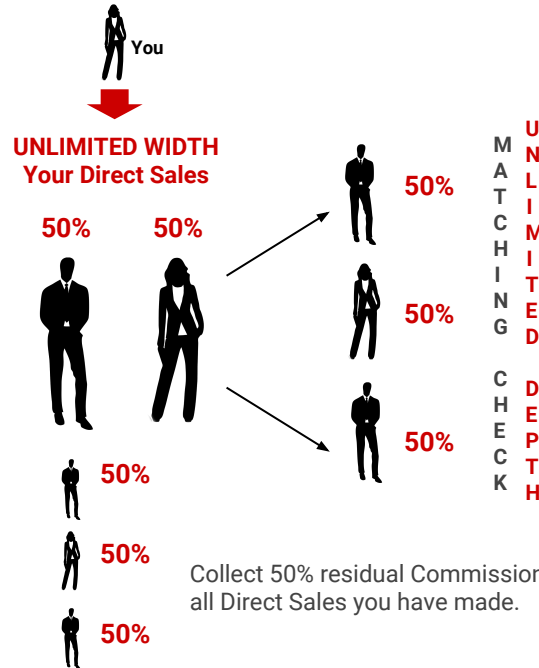

Front End: Membership Subscription Commissions Overview

Let me share with you the most lucrative way to make money ever created online! This incredible compensation plan pays out 100% commissions by offering you **50% commission on all of your direct sales** as well as an additional **50% matching bonus on the earnings of your direct referrals.**

There's no better way to leverage the work of others for your own gain than this system and keep in mind everyone has the same opportunity so there's never anyone left out.

Here's how it works. If you choose to become a reseller for the Now Lifestyle program you will instantly earn 50% of every direct sale you generate. Simple, refer a member and keep 50% of the money. This is a massive incentive to get even the most novice online marketer motivated and moving which is incredibly important to your wealth and here's why. **You will always earn a 50% matching bonus on Health and Wellness product of whatever your direct referrals earn from front end membership sold.**

Sales Made from your Direct Sales

Collect a matching check bonus of 50% on all membership sales made by your direct referrals.

Collect 50% residual Commissions on all Direct Sales you have made.

Now Lifestyle Compensation Plan Part 1

Let me show you a modest example of how this program works. If you earn \$1000 dollars in direct commissions one month, you'll receive that check. Now of course you earn it from referring members and many of those members will also decide to become resellers like you. If 10 of them have the same success that you had and earn a check for \$1000 dollars each you will get a matching bonus of exactly 50% or \$500 dollars on each of those 10 people. That's \$5000 dollars on top of the \$1000 dollars you earned yourself. So despite the fact that your commissions on direct sales only amounted to \$1000 dollars, you will get a check for \$6000 dollars. Do you see the power of leveraging the work of others?

Now Lifestyle Compensation Plan Part 1

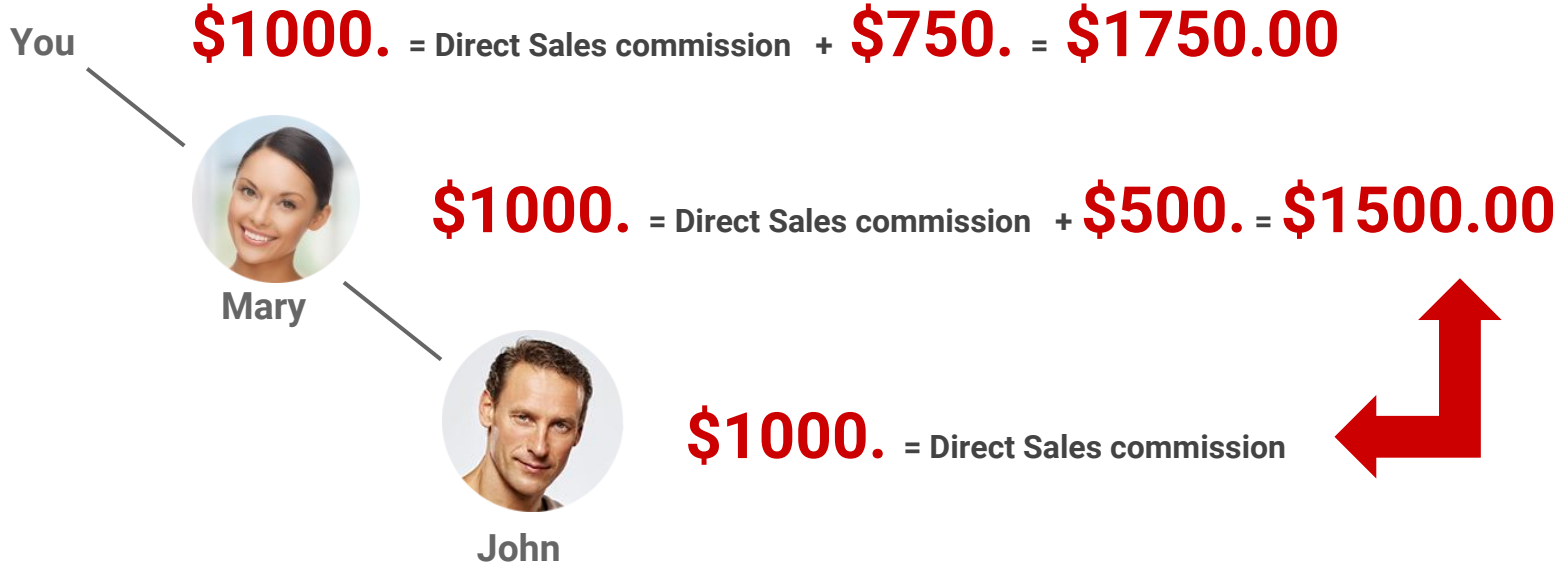

Imagine as time goes on and you have a team of 50, 60 or even thousands of direct referrals working for you and earning you a massive income. Those direct referrals will each start power lines that will always feed commissions up to you. There's no limit on width so you can start hundreds or even thousands of commission power lines and will always be paid on unlimited depth. Everyone is paid more, the more success there is.

Let me show you an example of how a power line can work. You refer Mary and Mary refers John and the 3 of you go to work and earn \$1000 dollars in commissions from your direct referrals. Mary will get a bonus of \$500 dollars because her direct referral, John earned a \$1000 dollars, so her check becomes \$1500 dollars. It's her \$1000 plus the \$500 dollar bonus she got from John. You will receive a \$750 dollar bonus from Mary that will add to your \$1000 dollars for a total of \$1750 dollars, but don't forget, Mary will have a lot more direct referrals like John, so her checks have the potential to be more and also remember, you will have a lot more people like Mary, so your checks will grow as well. The power of this system is unlike anything offered before.

Binary Calculation

- The system will calculate the total number of cycles earned based on total volume (e.g 10 cycles is $10 \times \$20 =$ **\$200**)
- The system will calculate and add “extra” cycles based on the increase of cycles from previous month. This is our no “flushing” calculation. (e.g 5 extra cycles earned since the increase in cycles from February (5 cycles) to March (10 cycles) $5 \times \$20 =$ **\$100** in extra cycles)
- TOTAL binary commission earned in March would be \$200 (cycle) + \$100 (extra)= **\$300**
