

Getting Started in Now Lifestyle

The Relaxed Method to YOUR Success!

First off, realize that this is not a job, you have joined a business opportunity, one that can lead you to financial freedom. This process will take time, but that is the first thing you need to give yourself is some time, so relax, do not panic, you are just getting started, and will learn a few things along the way. This stuff is not complicated, but it may seem so at first, just as if you started a brand new job, and didn't know exactly what to do yet.

In this process of building your business, it will take some time, and some money. Remember this is not a job, but a truly once in a lifetime REAL business opportunity. In building your Now LifeStyle Business you will learn the process of email marketing, which Now LifeStyle has already created everything you will need to do so. If you want to learn more of how email marketing works, please watch this.

The first thing you want to, is upgrade your account if you have not yet, to the \$50.00 monthly package. With this \$50.00 monthly package, you will be a re-seller for and own the autoresponder, lead capture system, and the Now Body health and wellness package.

This will entitle you to earn \$25 monthly commissions from your personal referrals who purchase this package, these commissions can add up very fast.. Please also see how truly exciting this opportunity can be here, this is the full comp plan. <http://www.joeltherien.com/pdf/NLS-Comp-Plan.pdf>

You generate these commissions, by building your email list using the Now LifeStyle lead capture pages and following up by email through the message system in your back office, in these follow up emails you are encouraging people to join you in Now LifeStyle, by sending them your main affiliate links, and offers.

As people join you in Now LifeStyle and purchase the product packages, like when they become a reseller, and purchase the autoresponder and health and wellness package for 50.00, you then make a commission.

Anytime one of your referrals purchases any of the physical nutritional products you make a commission as well. After you have personally sponsored 1 person in your left leg, and 1 person in your right leg, you also then qualify for the binary commissions, which are calculated off of the total volume of sales, between your right and left leg (This is where non personal referrals help you build the binary commissions). You also can make commissions off of the NLS Pro university products if you own these as well.

You can choose depending on your experience to generate your own traffic to your lead capture pages by either using free or paid traffic or both.

Or you can simply buy Guaranteed paid sign ups and or leads directly through the company.

This video here will show you how to find and identify your marketing links that Now LifeStyle provides you.
